

Call For Applications to the American Kennel Club Agility Invitational

The Canadian Kennel Club in Conjunction with the Subaru Agility Team Canada is calling for applications to the American Kennel Club Agility Invitational.

The American Kennel Club (AKC) has invited the Canadian Kennel Club to attend the two day AKC Agility Invitational event to be held in Orlando, Florida, USA on December 17 and 18, 2016 with a warm-up class (Time2Beat) on December 16, 2016. Canada has been invited to send a team of up to 3 dogs to this event. Agility Team Canada will pay entry fees and provide a team shirt but handlers are responsible for all other expenses.

To compete in this event dogs must be of an AKC recognized breed and one (1) dog and handler team from each height category, small, medium and large will need to be chosen. The height category for each dog is determined by the individual dog's height at the top of the shoulders. Dogs must enter the proper jump height. Small: 8" or 12", Medium: 16", Large: 20" or 24". There will be two (2) runs per day for each individual team. If your dog is AKC registered then your Time2Beat run will be eligible for both placement and points. Otherwise your run will be "For Exhibition Only".

Note: Air Canada will not transport pets between Dec. 15 and Jan. 15 and West Jet reduces their pet allotment per plane from Dec. 11 to Jan. 10.

To enter this prestigious event you must apply to CKC Subaru Agility Team Canada. Send your applications to Linda Barton, teamleaderckcatc@gmail.com.

Handler's Name _____ Dog's Breed: _____
Dog's Registered Name _____ Dog's Call Name _____
Dog's Gender _____ Dog's Date of Birth: _____ Jump Height 8 12 16 20 24 (circle one)
