

## **AGILITY TEAM CANADA SELECTION COMMITTEE**

## **PURPOSE**

To help select the remaining members of the Agility World Championships (AWC) team using the selection criteria outlined in the scoring and selection document the year of the Selection.

## **M**EMBERS

The committee is made up of 3 individuals:

- Current Team Leader
- Another ATC Management Team Member (as long as they are not trying out for the AWC Team)
  who has the experience competing internationally. If there is not an ATC Management Team
  Member available to take on this role, another individual will be sought who is familiar with the
  skills, speed, and handler mental fortitude to compete at the World Level; and who has shown
  the ability to be unbiased in the selection process.
- One agility competitor who is currently competing, has shown they are able to be unbiased in the selection process, familiar with the skills, speed, and handler mental fortitude to compete at the World Level (examples include previous ATC team Member, Management member of another World Team, Instructor, etc.)

Anyone trying out for the AWC team or has a family member trying out for the AWC Team is **not eligible** to be on the Selection Committee.

An individual who is trying out for EO or SOAWC/JOAWC only <u>is eligible</u> to be on the Selection Committee.

## **PROCESS**

The Committee will be provided with a short list for the team and the individual positions as outlined in the "2024 ATC Tryouts Scoring and Selection Protocol -Final-Revised Jan 5" document. Each committee member will review this list, review the results, and watch the videos of the dog/handler teams in contention for these spots to help them make their decision. After each Committee member has a chance to review these candidates, they will discuss their recommendations via group chat or Zoom meeting. The Committee will have at least one alternate in each height in case the selected team does not accept their position.

Those interested in being part of the Selection Committee in 2025 should contact ATC at: <a href="mailto:agilityteamcanada@gmail.com">agilityteamcanada@gmail.com</a>
